Work History

Agricultural and Farm Labor Contractor, 02/2022 to Current

Grow The Growers Farmer Program, Bernalillo County – City, STATE

- Cultivating and sustaining food production on over 2 acres of County agricultural land, including daily monitoring of over 100 beds in full production for healthy soil and plant conditions, harvesting weekly to distribute to community supported agriculture partners
- Attending and engaging in classes in farm production and business operation methods while developing personal marketing and crop planning for sustainable agricultural and soil farming practices for following year
- Supporting and building working relationships with farm trainers, fellow coworkers, farm managers and farm workers from various backgrounds and neighborhoods within Albuquerque and surrounding areas with shared objective of building local food economies

Field Organizer, 08/2017 to 01/2019

United We Dream – City, STATE

- Developed and executed strategic advocacy campaigns engaging federal and state elected leaders and local departments in Washington, D.C., Florida, New Mexico, Texas, Florida, and Washington
- Built and fostered political coalitions and collaborated with organizational leadership to enhance message, meet regional funding goals and develop implementation plans in central Texas and Washington, D.C
- Trained and built base with over 20 effective social change youth leaders to run strategic campaigns by organizing news conferences, building strategic coalitions and generating grassroots community support.

Youth Organizer, 05/2013 to 08/2016

El Centro De Igualdad Y Derechos – City, STATE

- Coordinated with school administration schools to provide interactive, civil rights workshops at over five public and charter schools
- Supported and completed administrative tasks such as referring families to shelters, legal resources and educational programs, answering phones, filing paperwork, data entry and reporting
- Conducted over community workshops to coordinate different programs, promote organizational awareness and educate immigrant community members on available services
