EXPERIENCE

Aviation Boatswain's Mate, Equipment, 01/2019 - 06/2022

Hudson's Bay Company – East Hanover, NJ

- Responded to onboard operational and medical emergencies with calm, level-headed approach.
- Prepared for underway operations by repairing, maintaining and stowing equipment.
- Trained and supervised personnel handling shipboard maintenance functions.
- Contributed to boat operations by standing watch in lookout, helmsman and boatswain's mate positions.
- Managed cargo loading and unloading to meet schedules and keep vessels balanced.
- Checked for oil spills and other pollutants around ports, harbors and beaches.
- Directed and coordinated crew members while loading or unloading cargo, steering vessels, operating engines and maintaining or repairing ship equipment.
- Purchased, organized and maintained supplies and equipment for efficient operations.
- Organized specification set-up and drawing coordination, research and use of best practice documents.
- Produced and maintained accurate design documentation.
- Organized, analyzed and prepared technical data reports.
- Verified proper loading of cargo holds to align with ship capacity and weight distribution requirements.
- Inspected equipment and completed basic repairs to maintain safety and efficiency of each trip.
- Maintained thorough and accurate incident reports, service logs and inventory maintenance documentation.

Hospital Corpsman Assistant, 09/2021 - 05/2022

US Navy – City, STATE

- Motivated and facilitated patients' adjustment to assistive devices by administering manual exercise and performing equipment demonstrations.
- Actively oversaw patient and resident care activities, medical records and execution of physician orders.
- Directed patients in prescribed range of motion exercises and proper usage of braces or artificial limbs.
- Routinely performed diagnostic and prognostic exams to evaluate muscle, nerve, joint and functional abilities.
- counseled and made recommendations to patients, caregivers and families about communicative strategies and devices.
- Recognized by management for providing exceptional customer service.
- Performed site evaluations, customer surveys and team audits.
- Kept team on track by assigning and supervising activities and giving constructive feedback.
- Worked successfully with diverse group of coworkers to accomplish goals and address issues related to our products and services.
- Exceeded customer satisfaction by finding creative solutions to problems.
- Provided IT and software trouble-shooting support to organization.

Jewelry Sales Associate, 03/2016 - 12/2018

Linda Vista Jewelry – City, STATE

- Engaged positively with each customer, providing professional and polite support for sales and service needs.
- Processed payments and maintained accurate drawers to meet financial targets.
- Maintained current store, product and promotional knowledge to drive consistent sales.
- Worked with off-site locations to find desired items for customers.
- Increased sales by 35% through effectively helping customers choose products to represent specific needs.
- Cleaned jewelry cases daily with glass cleaner and dusters to keep displays pristine.
- Used bilingual skills to assist other sales associates in closing sales with Spanish-speaking customers.
- Honed conflict resolution skills as result of diffusing tense situations with unhappy customers.
- Enthusiastically worked with entire sales staff to give great service to every customer, cutting wait times at register by 30 minutes.
- Trained and coached newly hired associates on store return policies and customer service techniques.
- Managed and processed customer payments made by credit and debit cards as well as cash and provided correct change if applicable.
- Restocked merchandise from inventory during downtime when items upfront became low.
- Kept calm and applied strong problem-solving and interpersonal skills to resolve conflicts.
- Counted cash, made change and stored coupons to keep organized and balanced cash register drawer.
- Followed store opening and closing procedures as per company guidelines.
- Welcomed customers, offered to help locate items and suggested merchandise without being intrusive or pushy.
- Calculated pricing, applied discounts and collected payments to process transactions.
- Asked open-ended questions to ascertain what type of item customer desired, price range limits and recipient of item.
- Arranged merchandise for display to highlight new styles, attract customers and enhance sales.
- Processed merchandise returns and exchanges for customers to refund payments, trade items and offer store credit.
- Provided information to customers on upcoming promotions, activities and events.
- Provided excellent service to customers through active engagement, direct eye contact and listening skills.
