WORK EXPERIENCE

Construction Project Manager

J&J Lucchese Development

08/2016 – Present

Naugatuck, CT

- Headed the completion of 6 large commercial projects and 13 residential developments in northern New Jersey.
- Successfully delivered a \$7.5M construction project three days ahead of schedule and under \$200K budget.
- Coached and mentored a team of 50 crew members in the field, resulting in greater productivity and efficiency.
- Effectively negotiated contracts to create a mutually beneficial agreement, saving \$500K in construction costs.
- Reduced budgets from 10-20% by integrating energy-efficient products and alternative building materials.

Construction Superintendent

Andrade Construction Corporation

07/2013 – 07/2016

Paterson, NJ

- Supervised an on-site workforce of 51 employees including engineers, steel workers, and laborers.
- Resolved budget cost deficiencies of \$40K by utilizing energy-efficient products and recycled building materials.
- Achieved a 15% reduction in project cost by negotiating with architectural, civil, and geotechnical engineers.
- Managed the construction of a \$10M cinema project from inception to completion, asserting successful delivery within timeline.

Assistant Construction Manager Intern

BC Construction

01/2013 – 06/2013

Boston, MA

- Assisted the Project Manager in planning, documentation, implementation, and overall management of projects.
- Accomplished sub evaluations/comparison of bids, scope review, and complete buy as requested by Project Manager.
- Ensured contracts, insurance, and bonds are current and received before the subcontractor performs any work.
