- Distinction average (82%)
- High Distinctions: Roads Engineering; Geomechanics
- Distinctions: Environmental Engineering Design; Civil Engineering Design

## PROFESSIONAL EXPERIENCE

---

**Undergraduate Civil Engineer**

Nov 2014 – Feb 2015

**Northrop Consulting Engineers**

### Description

- Undertook 12 weeks' full time professional experience on the Northrop Summer Vacation program
- Completed rotations through Building Services, Water Infrastructure and Mechanical Services.
- Assisted Senior Civil Engineer on a project to determine the ongoing stability of concrete stabilised footpaths around a commercial/retail centre
- Shadowed Associate Engineering Consultants working on an industrial development and gained insight into flood planning, the use of fibre reinforced slabs and gantry cranes.
- Observed the preparation, function and process of tender and contract documents in action, and assisted Civil Engineers to fulfil these.
