---

## EXPERIENCE

---

**Prepress Specialist/Graphic Designer, 01/2000 - Current**

**Temple University – Harrisburg, PA**

My duties are managing files for press; troubleshooting and preparing graphic files created in various programs to ensure an accurate and high quality print product. This includes sending files through Workshop, an imposition program for plate preparation. Also sending to direct plate Trendsetter and imaging plates for press. I also meet with customers and design pieces for print; programs, newsletters, books, flyers, posters, banners, billboards. This also includes letterhead, business cards and envelopes. I also design conference booth displays and web banners per the customers needs. My other duties include stock management of materials for our Epson high-quality proofers, plates for the Trendsetter and other materials. I do press checks on all our printed material. I have helped in our Bindery department and assisted in creating job tickets.

**Adjunct Faculty, 2006 - 2008**

**Berry Plastics – Battleboro, NC**

Worked as an evening instructor teaching Adobe Illustrator and InDesign

**Press Operator, 1990 - 1996**

**Ace Printing Company – City, STATE**

My responsibilities were to prioritize various print jobs, set up press for each job and print. Duties also included stock management and press maintenance.

---

## EDUCATION AND TRAINING

---

**Associate of Arts: Graphic Communication, 1992**

**St. Louis Community College - Florissant, Mo**
