### OBJECTIVE

I have been working in the creative industry for 3 years, with my most recent experience being a Fashion Designer at Murmurale Designs. I possess valuable skills such as good communication and high creativity that I believe make me best suited for the position of Designer in your company.

### EXPERIENCE

#### Murmurale Designs | 2014 - Present

##### Fashion Designer

I was held responsible for helping the models choose what is best for them to wear during every fashion events. I managed to do the job properly.

#### Colors & Such | 2012 - 2014

##### Fashion Designer Intern

I was an intern at Colors & Such for three months since we were all required for at least 3 months in order to pass the semester.

### EDUCATION

#### 2010 - 2012

##### MFA in Fashion Design

Carnegie Mellon University  
Pittsburgh, USA

#### 2006 - 2010

##### MFA in Fashion Design

Carnegie Mellon University  
Pittsburgh, USA

#### 2002 - 2006

##### High School

California High School  
San Roman, California

### TRAINING

#### Design Experience 2013

##### Murmurale Foundations

An organization held by Murmurale Designs and I was awarded as best fashion designer of the year 2013
