Summary

Diligent Network Engineer with 5 years of hands-on experience in diverse network technologies, project management, and network architecture. Seeking to support AlphaWave Technologies in building an efficient network infrastructure by ensuring it is secure and scalable. Reduced network downtime at Epsilon Dynamics by 30%.

Experience

Senior Network Engineer
Epsilon Dynamics, Minneapolis, MN
July 2015–Present
Key Qualifications & Responsibilities

- Designing and implementing robust network infrastructures supporting over 500 users.
- Monitoring network performance and diagnosing system problems.
- Collaborating with the IT team to plan and execute network security measures.
- Developing secure network monitoring systems that improve network performance.
- Updating existing network architecture to support new applications and technologies.

Key Achievement:

- Led a project that reduced network downtime by 30%

Network Engineer
Quantum Leap Innovations, Minneapolis, MN
June 2012–June 2015
Key Qualifications & Responsibilities

- Assisted in network design and implementation.
- Performed routine network maintenance and system upgrades.
- Responded to network outages and resolved issues efficiently.

Key Achievement:

- Implemented a network security protocol that reduced breaches by 40%.

Education

Bachelor's of Science in Computer Engineering
University of Minnesota, Minneapolis, MN
September 2008–May 2012
Relevant extracurricular activities

- Member, Association for Computing Machinery (ACM)
- Volunteer, Friendly Coding

Academic achievements

- Graduated Magna Cum Laude.
- Awarded the Computer Engineering Department's Distinguished Senior Award.

Skills

- Network architecture and implementation
- Troubleshooting and maintenance
- Network security protocols
- Project management
- Excellent communication skills
- Team leadership
- Detail-oriented
- Problem-solving

Certifications

- Cisco Certified Network Professional (CCNP), 2016
- Microsoft Certified: Azure Solutions Architect Expert, 2019

Awards

- Network Professional of the Year, IT Awards, 2018

Memberships

Member of the Institute of Electrical and Electronics Engineers (IEEE) since 2012

- Presented a paper on Network Security at the 2018 IEEE Conference, Las Vegas

Languages

- English—Native
- Spanish—Intermediate

Interests

- Conducting Raspberry Pi workshops for local schools.
- Authoring a tech blog on network management and security.
